The room is very spacious and well lit and is handicap accessible.

Since the class is limited visibility is even better and much more individual instructions are available. The classes are relaxed and fun with a lot of helpful information. Mary Carole was here last year and everyone who painted with her enjoyed it very much. She was very pleased with everyone's painting ability. She offers classes all of the U.S., Canada and Europe. This is a wonderful opportunity to paint with a very accomplished artist - without having to travel a great distance with a large expense. She is very relaxed, helpful and can help you through any problem you may experience. This is a very positive painting atmosphere!

Deposit of: \$100.00 per day for each class you are taking. Your deposit and reservation is DUE NO LATER THAN August 16th.

We need to know in plenty of time for Mary Carole to make her plane reservations in order to receive a less expensive airfare, this in turn saves us money.

Your remaining balance is due on the last day you paint. All fees paid are applied toward your total balance. All deposits are non refundable unless you sell you space or your space can filled from a waiting list.
